

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 12, 1996

SUBJECT: **SB 2819 - HB 2773**

This bill, if enacted, will provide a framework within which the Secretary of State could either continue to compile and publish the compilation of the Rules and Regulations of the State of Tennessee and the Tennessee Administrative Register or to contract with an outside vendor to compile and publish these materials.

The fiscal impact from enactment of this bill is estimated to be a decrease in state expenditures to the extent the Secretary of State is able to contract with an outside vendor for the publication of these materials at a lower cost, however, such decrease in state expenditures is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
